Terminology and Descriptors

Abuse & Neglect

'Child abuse and neglect' are forms of maltreatment of a child. These terms include physical and sexual assaults as well as cases where the standard of care does not adequately support the child's health or development. Children may be abused or neglected through the infliction of harm, or through the failure to act to prevent harm.

Bullying

Bullying may be defined as deliberately hurtful behaviour, usually repeated over a period of time, where it is difficult for those bullied to defend themselves. It can take many forms, but the three main types are physical, verbal and emotional.

Child

Anyone who has not yet reached their 18th birthday, as per the Children Acts 1989 and 2004.

Child Protection

Process of protecting individual children identified as either suffering, or likely to suffer, significant harm as a result of abuse or neglect.

Designated Safeguarding Officer (DSO)

Committee member with responsibility for overseeing Manchester Bees Dodgeball Club's approach to safeguarding children, including dealing with concerns about the protection of children. This is undertaken by the Welfare Officer.

Parent

The term 'parents' also refers to carers or guardians, or people with parental responsibilities.

Poor Practice

Poor practice includes any behaviour that contravenes the Code of Conduct which is based around:

- rights of the player, the parent, the coach, the official
- responsibilities for the welfare of the players, the sport, the profession of coaching, and their own development
- respect for other players, officials and their decisions, coaches, the rules

Safeguarding

The process of protecting children from abuse or neglect, preventing impairment of their health and development, and ensuring they are growing up in circumstances consistent with the provision of safe and effective care that enables children to have optimum life chances and enter adulthood successfully.

Vulnerable Adult

A person aged 18 or over who is or may be in need of community care services and is or may be unable to protect themselves from harm.

Manchester Bees Dodgeball Club recognises that it is not appropriate to operate combined policies regarding the safeguarding of children and of vulnerable adults, due to the vast differences in legal and statutory requirements.

Wellbeing

The five outcomes that are key to children's and young people's wellbeing, as first set out in Every Child Matters are to: be healthy; stay safe; enjoy and achieve; make a positive contribution; and achieve economic wellbeing. The Children Act 2004 requires local agencies to co-operate with a view to improving the wellbeing of children in relation to these outcomes.

Working Together to Safeguard Children 2013

Government guidance that sets out how organisations and individuals should work together to safeguard and promote the welfare of children and how practitioners should conduct the assessment of children. The guidelines set out core legal requirements, making it easier for what individuals and organisations should do to keep children safe and promote their welfare.

Young Person

Reference to 'children' and 'young people' throughout this document apply interchangeably.
